

Reap the Benefits of Integrated Payment Processing with Powertrak

- **Stop working extra hours** manually entering payment information into two separate systems.
- **Reduce errors** from manual entries of credit card information.
- **Curtail costly chargebacks** and fraud incidents.
- **Get a daily set of financial reports** to reconcile payments with your bank.

"PPI was instrumental in helping us create our integrated payment solution. They have experts who understand the solution and are available 24/7/365 without any additional cost to our customers. A typical bank can't offer that kind of support, but PPI can."

William Barrow, CTO
Axonom Inc.

You'll save time and money with the industry's most comprehensive integrated payment solution for Powertrak.

With the PPI solution, enter credit card information directly into Powertrak for easy and efficient one-step payment processing. And while others offer piecemeal services, only PPI gives you one resource for everything you need:

- **Superior Integrated Payment Technology.** Our next-generation solution streamlines your internal processes and quickly pays for itself! PPI experts configure your system so you're up and running quickly & smoothly. Save time... save money... and get guaranteed usability!
- **Unwavering Technical Support.** Never again 'bounce' between vendors when nobody knows what's going on. Just call PPI's free, unlimited 24/7/365 'Answer-the-Phone' help desk for all your payment software and transaction issues. PPI handles *everything!*
- **Better-than-Bank Merchant Services.** An integrated payment solution requires technology expertise that a typical bank just can't offer. With PPI, you receive all the support you need - including affordable merchant services - without changing bank accounts.

**Save Time. Save Money.
Gain Simplicity.**
